

# DISCOVER LEOPARD CREEK

GOLF MASTER

# Africa's Most Iconic Golf Experience

Leopard Creek, one of Africa's most iconic golf experiences, lies on the southern boundary of the Kruger National Park in Mpumalanga. Set within a private wildlife estate and framed by the Crocodile River, the course offers a rare blend of championship golf and untamed African wilderness, where sightings of hippo, crocodile and elephant are part of the experience.

Designed by Gary Player, Leopard Creek is renowned for its immaculate conditioning, strategic layout and world-class service. Each hole is thoughtfully crafted to complement the natural landscape, creating a challenging yet rewarding round that consistently ranks among the world's great bucket-list golf courses.

Beyond the fairways, guests enjoy refined clubhouse hospitality, exceptional dining and an unhurried pace that reflects the surrounding bushveld. The emphasis is on quality, exclusivity and attention to detail, ensuring every visit feels special and considered.

Leopard Creek delivers an experience that is as powerful as it is unforgettable.

# Golf Leopard Creek

Golfing hazards take on a new dimension at Leopard Creek, for much of the water is home to the magnificent creatures for which the river is named, crocodiles. Extensive use has been made of water features and sightings of crocodile, hippo, antelope, buffalo and elephant are commonplace, on the course or in the Kruger Park bordering the course.

Play at Leopard Creek Country Club's championship course is a rare privilege, reserved for visitors on select days during limited off-peak periods. Access is carefully managed and subject to member bookings, exclusive club events and scheduled course maintenance, ensuring the course remains in impeccable condition and the experience truly exceptional.
